

HORSE-TRADING AND STRAIGHTENING CORN.

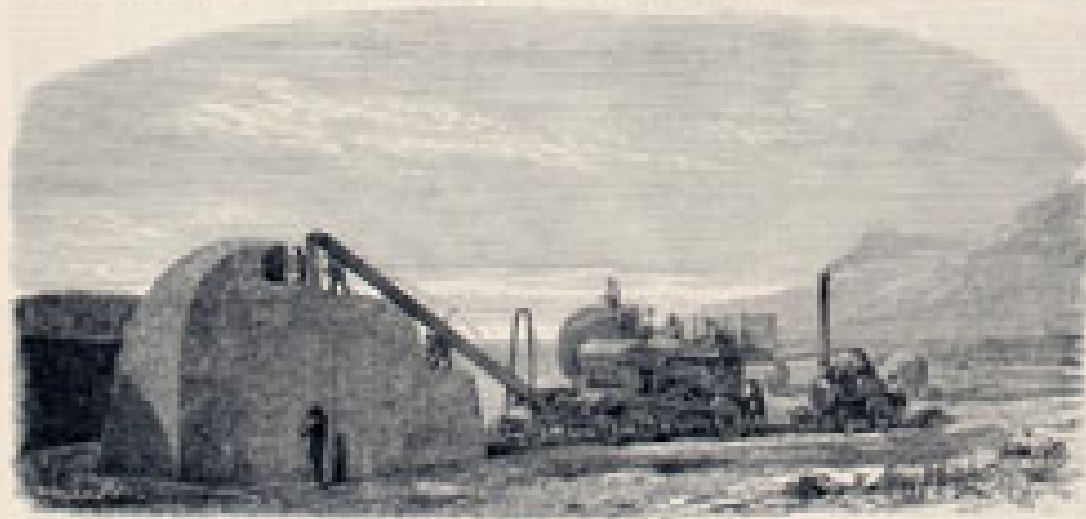

THE HORSE-TRADING MARKET AT BIRMINGHAM.

The horse-trading market at Birmingham is one of the most important in the country. It is held every week, and attracts a large number of buyers and sellers. The market is held in a large open space, and the horses are brought there from all parts of the country. The buyers are mostly farmers and country gentlemen, and the sellers are mostly dealers and breeders. The horses are sold at public auction, and the prices are generally high. The market is a very busy place, and the atmosphere is one of excitement and competition.

The straightening of corn is a process which is carried out in a large number of places in the country. It is a process which is carried out by a large number of men, and it is a process which is carried out in a large number of places. The straightening of corn is a process which is carried out by a large number of men, and it is a process which is carried out in a large number of places. The straightening of corn is a process which is carried out by a large number of men, and it is a process which is carried out in a large number of places.
