Dear Miss Dana:

I acknowledge receipt of your letter dated December 10th., with which you send me the Diplomatic Passport of Gabriela Mistral and you give me the address of her, that is in care of yours.-

I have take note of the adress and I have included it in the list of addresses of our Consulates in this country.- Thanks for to send it to me.-

With respect to the Passport it do not require renewal because it is a Diplomatic Passport.- The Diplomatic Passport has a validity as long as the bearer has his charge, and do not expire at any date or period unless the bearer loss his diplomatic status.-

As you can see in the Immigration form attached to the Passport the U.S. authorities have granted to Gabriela "Duration of Status" in the space named "Date to which admitted".- They have granted, too, a Diplomatic Visa A-1 for unlimited applications.- So you have nothing to worry about the Passport.-

I am sending the Passport enclosed.-

Please present my kind regards to Gabriela and I remain sincerely yours.
