Compatriota de la Patria Ausente:

In the name of the Centro Cultural Chileno I wish to express to you our gratitude for having you with us last Saturday to help us portray something of the culture of Chile at the Fernandez Institute. It was very kind of you to come.

Perhaps another time you may find it possible to meet with us in our Club rooms. We will celebrate the Combate Naval de Iquique on the twenty-first of May. The Chileans of the Club are all very anxious to meet you, and they wish me to give you their greetings and pride in having you represent our native land at the United Nations.

You will forgive me I am sure for writing you in English, but my Spanish is suffering by my many years in this country.

I hope that you are feeling well, and recovered from your cold.

Very truly yours,

Louis Romo
