

but Brother Brenner and
I think that you referred
to the Virgin Mary.

Would you please
settle this point for us
and tell us which of us
is correct? I should like
to add that we are using
Torres-Riosco's "Antología
de la literatura hispano-
americana" as one of our
text-books, and I am
greatly enjoying "las
Cuatro poetisas Españolas"
included in this book.
