Srta. Gabriela Mistral
Consulado de Chile
Rio de Janeiro, Brazil

Dear Señorita Mistral:

I am asking my perennial questions concerning applicants for Fellowships of this Foundation. Dr. Rafael Esténger and Mr. Luis Enrique Délano have applied and referred me to you. What is your judgment of them and of their work, please -- confidentially, as always?

I am enclosing herewith a list of Fellows on this Foundation for the current year, together with a copy of the memorandum governing the award and tenure of Fellowships on this Foundation. We desire to award Fellowships in the various fields of knowledge only to men and women of unusual capacity for productive scholarship and, so far as concerns the arts, to persons of high creative ability. Would you so characterize these candidates, or either of them? If you can give comparative judgments they will be useful.

With thanks to you, I am

Sincerely yours,

Henry Allen Moe
