Dear Miss Mistral:

My dear friend Señorita Shela Allende, youngest daughter of the famed Chilean composer, Pedro Humberto Allende, requested that I write to you here in the U.S.A. She is very anxious that I meet you and I only hope I will be able to do so!

I am a young American past twenty years of age. I have been writing poetry since I was only fifteen. Several of my works have rated publication in various religious publications. I am a member of the Texas State Poetry Society.

May I congratulate you on winning the coveted Nobel Prize! You most certainly was deserving of it.

I sincerely trust that during your stay in our fair country I will have the honor and pleasure of meeting you. Nothing would give me greater happiness!

With kind regards, I am

Most sincerely,  
Kenneth Earl Griffith
