My dear Miss Mistral:

As a principal in the Los Angeles City Schools permit me to welcome you as a fellow educator to our midst here in Los Angeles. We school people who have worked with the Latin-American children for many years are very happy to have a woman of your experience and sensitivity to their problems here in our city.

You may be interested to know that our two schools are in the heart of one of the oldest communities in the city - the Palo Verde community. Our schools within this civic center area are affiliated with the social agencies and health departments in the Civic Center Coordinating Council. This group functions as a body for the sole purpose of improving the environment and needs of the children and parents within this area.

We are most anxious to have you as our guest speaker at our June meeting, which will be a dinner meeting. The date for this meeting is Thursday, June 6th, at 6:30 in Central Junior High School, 451 No. Hill St., Los Angeles. You may choose your own subject as a topic for discussion and I shall silently hope that some of your exquisite verse will creep into the discussion.

I can not tell you how much your presence at this meeting will serve as an inspiration both to the teachers and social workers in this area - but also to all of our children and parents of all races and creeds in this district.

Kindly let us know before the 1st of May if you can come - for we want to get our programs printed.

Cordially yours,

Sophia T. Salvin
