Altadena, California

Dear Mr. Courcil:

Your very kind letter of March 27th, Miss Mistral wants you to know, is in her possession, and she sends you her heartfelt thanks for your kind thoughts expressed.

She was very busy looking for a house during her short sojourn in California and for that reason was not able to reply to all her correspondents as she would have wished to. And now she is extremely occupied here with many tasks.

After July, however, she expects to be permanently settled in her Monrovia house in California, and she will be delighted after that time to hear again from you.

Receive her best wishes and repeated thanks for your sweet fraternal message.

Yours very truly,

Adele Georgi, Secretary
to Gabriela Mistral
