My dear Senorita Mistral:

Your letter of April 17th has been referred to me, as Chairman of the Attendance Committee, for acknowledgment.

We are delighted to know that there is a possibility of your attending our International Assembly of Women next October. You will be in the east, will you not, for attendance at the United Nations meeting in September? We placed the dates of our conference to follow this meeting, thinking that it would then be convenient for women like yourself to stay on and attend the International Assembly.

There has been no material issued since the program but we shall be mailing you any bulletins put out by the Committee.

Sincerely yours,

Josephine Schain
