Miss Gabriela Mistral
c/o Chilean Consulate
61 Broadway
New York 4, N.Y.

Dear Miss Mistral:

Both Mrs. Iverson and I were most appreciative
of your kindness in telling us your thoughts and proposals
for effective hemisphere interchange. We are enclosing a
copy of this week's "Noticias". Our Inter-American Centers
in leading cities of this country will be most interested in
your suggestion of a limited interchange experiment. We shall
be very happy to discuss the inauguration of such an experiment
with Doctor Carmena Irrazuriz.

Again please accept our thanks for your kind interest.

Sincerely

Karna Steelquist
