

MILLS COLLEGE

OAKLAND 13 • CALIFORNIA

OFFICE OF THE PRESIDENT

14 May 1946

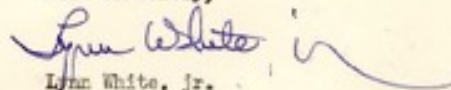

Dear Miss Mistral:

It gives me great pleasure to inform you that the Board of Trustees of Mills College has voted to offer you the honorary degree of Doctor of Letters at the Commencement exercises of the College to be held at four o'clock on the afternoon of Sunday, 2 June. Mills College is the oldest college for women on the Pacific Slope of the United States, and I very much hope that it will be possible for you, who are one of the world's most distinguished women, to be present with us on that festive occasion. We at Mills College have for many years felt a warm bond of friendship with the various Spanish speaking nations to the South, and several young women from Chile have studied on our campus. I think that you would find our Commencement exercises enjoyable, and can assure you that you will not be expected to make a speech of any kind.

If you wish to spend the nights of June first and second upon our campus, we shall be glad to offer you hospitality in a suite of rooms in one of our residence halls. In any case, will you come to the President's house at 3:30 on Sunday afternoon to meet the Trustees of the College, and to march with them to the amphitheatre where the services will take place? It would likewise give Mrs. White and me great pleasure if you would join us at a buffet supper together with the Trustees following the services.

I greatly hope that you may find it possible to journey northward on the week end of 2 June, and I look forward to meeting you.

Most sincerely,

Lynn White, Jr.
President
