THE NATIONAL FEDERATION OF BUSINESS AND PROFESSIONAL WOMEN'S CLUBS, INC.

1819 BROADWAY - NEW YORK - N. Y. - COLUMBUS 5-5934

24 May 1946

Dear Miss Mistral,

The National Federation of Business and Professional Women's Clubs will hold its Biennial Convention in Cleveland, Ohio, at Hotel Cleveland, July 7-12, 1946.

I want to extend a very cordial invitation to you to attend these meetings as an observer. Your own personal leadership, as well as the recognized contribution which your work as a member of the Sub-Commission on Status of Women represents, makes me hope that you will be able to attend these meetings.

The program plans are now under consideration. They will afford opportunities for facing situations immediately before us in both our national and international relationships. By bringing to the sessions the thinking of some of our outstanding leaders and then carrying their ideas over into discussion groups, round tables and work shops, we believe that ways and means will be devised for the peoples of the United Nations to work together more effectively.

The common interest of our organizations in the prompt and effective re-establishment of women in society and economy the world over, leads me to hope that you will wish to be represented in the small group of observers who are being invited.

We would appreciate knowing whether you will accept this invitation, in order to include you in our planning of the program. In answering, please direct your reply to me at the New York Federation Office, 1819 Broadway, New York 23, New York.

Sincerely yours,
Margaret A. Hickey
