My dear Senorita Mistral:

We are indeed sorry to learn that at present you do not expect to be in the Eastern part of the United States in October and therefore cannot attend the International Assembly of Women.

If your plans change and you find that it would be possible to be with us, do let us know, as we should very much like to have you take part in the discussions which we expect to be very far-reaching in their influence upon women. You have so much to contribute and we do need your help.

Sincerely yours,

Josephine Schain
