Dear Mrs. Mistral:
Your story in the Independent
has interested me so much
I should like to meet you -
and to ask the following
question - Since ago I was asked
to write a story about Christmas
tree Lane in California.
I did this in a very simple
way and I had hoped to have
it published in the Boys Club.

Children are thrilled with
the story - but I can't get
a publisher to accept it.
Would you be kind enough
to read it and tell me frankly
what is wrong with it - or is
it because I am not a
well known writer the reason
it is always returned.
