My dear Senora Mistral:

I was most interested in the article about you which appeared in The Los Angeles Times on July 31.

Immediately, because I have served on the program committee of the Business and Professional Women's Club, I thought to myself, what a privilege it would be to have you speak to our club some time. Yet, I felt that it would be asking a great deal of you to come to so small a group.

Now it is my privilege to be planning a meeting for a very large group of women, including all of the Business and Professional Women's Clubs in Orange County and therabouts.

Would it be possible for you to address that meeting? Any subject you might choose that has a bearing on the contribution that women and women's clubs can make to international peace would be most interesting. That is the theme of this meeting which is to be held in Orange on the evening of October 14.

We should be most happy to have you, and I believe that you would be interested in meeting so many women who are representative of American women in the smaller towns.

I should appreciate ever so much your telephoning to my sister-in-law, Miss Marguerite S. Wettlin, at the United-Rexall Drug Company, 819 North La Brea Avenue, YOrk 7241. Her home telephone number is YOrk 1939.

Looking forward with great pleasure to meeting you and having you as our honor guest and speaker, I am

Sincerely yours,

Vera Wettlin
