Señorita Gabriela Mistral
Honorary Chilean Consul
Sierra Madre, California

Honorable Señorita,

It is my urgent request that you grant me an interview at your earliest convenience in order that you may review my qualifications for a position in Chile.

I would very much like some connection with a Chilean family of high calibre who desire to learn English as much as I desire to learn Spanish.

I understand just a little bit of Spanish, enough, I think, to be of value in an office of an industrial firm or in the clothing industry.

However, I should very much like to live among Chileans here in the United States prior to going to Chile.

I should also like to enroll in the University of Santiago for evening classes if this is possible.

Your early reply will be very deeply appreciated.

Sincerely and with respect,

Juanita Keller Gardner
