My dear Miss Mistral:

By this time you have a letter from President Sproul of the University of California which has to do with commencement exercises on the Los Angeles campus on Sunday afternoon, June 22. It will be my great pleasure to present you to the President for the honorary degree. If you will tell us where you expect to stay while you are in Los Angeles, perhaps we can be helpful in getting you to the campus and back again.

I shall be delighted to hear from you.

Yours very sincerely,

C. A. Dykstra
