Dear Miss Mistral:

I took it upon me a few days ago to call your secretary ~~xxxxxxxxxxxx~~ to convey to her that I represent all the various air and steamship lines in Santa Barbara. My services are, naturally, entirely free for the asking and I am always at your entire service.

I contacted your secretary upon suggestion of Mr. Peter Tornquist, who is well known to you and whose company I also represent here. Furthermore I am a very good friend of Count and Countess T. Skarzynski, who also spoke to me about you.

I lived for three years in your lovely country, one year of which I spend in the Desert of Atacama, (which wasn't so pleasant) but otherwise I loved Chile, especially Santiago and the Southern part of the country.

Mr. Tornquist told me that you do a good deal of travelling and whenever the occasion should arise I hope that I may be of service to you.

Looking forward to the pleasure of hearing from you

Sincerely yours;

W. Thoe Schwartzenberg
