Dear Miss Mistral: .

The records in our office show that Mercantile Insurance Company Policy No. 521207 covering \$13,100.00 fire insurance and extended coverage on your property at 1305 So. Buena Vista Avenue, Santa Barbara, California, will expire on January 26, 1948. This policy was assigned to you at the time you purchased the property from Lulu Estelle Hunter.

The rules of the Board of Fire Underwriters require that the rate survey be reviewed at the termination of each five-year policy; therefore, in order to continue to get protection at this special reduced farm rate granted by the Board of Fire Underwriters, we will be glad to make and submit a new application, with photographs of your property. At the same time, we can make a survey of the value for insurance purposes in cooperation with a special agent of the insuring company. This letter, to be sure that you are not under or over insured.

In connection with the rate survey, we enclose herewith a special form which designates us as your agent for the purpose of surveying and making application for special rates. If you desire us to handle this for you, we request that you sign the form where marked with red "X", and that you answer the pertinent questions in the first two sections on the front of the form.

Inasmuch as the time until the 26th is short, we will keep this coverage bound until February 10th. If at that time, we have not heard from you as to your wishes, we will consider that you have made other arrangements for this insurance protection.

Trusting that we may continue as your agent for this insurance, and wishing you a Happy and Prosperous New Year, we are

Yours very truly,

Tex Gentry
