Dear Miss Salva:-

I have your recent letter before me, and thank you and Miss Gabriella Mistral for co-operation in our International Literary Memorial project.

Miss Mistral's willingness to be included in our Advisory Council as reconstituted, is appreciated.

I am wondering, however, if Miss Mistral intends to send us the various materials that will make her an Honorary Member among this celebrated group. These materials include an inscribed copy of one of her books, her autographed photograph and a page of her handwritten manuscript possibly one of her better known poems. These materials have been sent to us by over a thousand of the most noted writers of the world, including such
