

## THE GODDESS OF LIBERTY SPEAKS

"I lift my lamp beside the golden door!"

My children shall know poverty no more,  
My children shall be peaceful, happy, free,  
For I am Mother of their Liberty.

I lift my lamp in friendship to the world,  
Where banners of all nations are unfurled;  
My brothers, and my sisters of the earth,  
Freedom shall have new birth.

One world is ours, one world to damn or save!  
I lift my lamp above the frightening wave,  
And call to you, wherever you may be,  
Join hands with me, join hands with Liberty.

And by our Spirit, luminous and bright,  
We'll build a world of beauty and of light.  
"I lift my lamp beside the golden door!"

Proclaiming Peace that will not yield to War!
