Estimada Srita. Mistral:

Adjunto a la presente una invitación de la Academia de Historia Franciscana Americana.

Fr. Roderick Wheeler, O. F. M. es el Director de esta Academia y me ha suplicado localizarla. Otras cartas anteriores, según parece, no le han llegado a Ud.

En su carta, Fr. Wheeler me dice:

"In connection with our Academic Session next December, we hope to present the "Americas Award for 1950" to Gabriela Mistral, the famous Chilean poetess, who also happens to be a life-long member of the Franciscan Third Order. But we are having difficulty in reaching her. She is Consul of Chile in Los Angeles, Cal., but at present we are told by the Chilean Embassy here that she is in Mexico, although they could not give us her exact address there. I wonder if you could help us out in this matter? Would it be possible for you to find out what her address is in Mexico, and if she is in Mexico City could you call on her and present our invitation to her, perhaps with some explanation of the character of our Academy, etc. If she is living in some other part of Mexico, would you be so kind as to forward the invitation to her? I am enclosing herein a copy of the invitation which we sent to her, first through the Chilean Consulate at Los Angeles, and secondly through the Chilean Embassy in Mexico City. Although these were sent in July, we have not received any reply. As the time is getting short, and as we must apply to Rome again for approval of the name of a different candidate (if we cannot reach Gabriela Mistral), I am in hopes that you may be able to contact her for us in Mexico."
