My dear Nobel Prize Winner:

Over 50 Nobel Prize Winners have now sent me their autographed photographs (post card size or snapshot size) for my famous collection of Nobel Prize Winners. I would be most happy to add your illustrious name to this great collection. Possibly you could also write a couple lines of poetry on the photograph. You can be sure that this would be a great addition to this world famous collection. A fine souvenir of you that I would always cherish.

Thanking you so very much in advance. Sincerely
hoping that you have a small photograph to spare which you will autograph and sent to me.

Wishing you good health, happiness plus continued
success in your writing always.

Gratefully yours, your admiring
American friend,

Lionel Aucoin
