Dear Miss Dama

While here in Chile it seems
but proper to send a greeting
to you and to Gabriela Mistral,
Very often I dwell with pleasure
on the remembrance of your
visit to Miami. May I hope
you will come that way again
and of course let me hurry
a little ahead of time. I have
travelled from Miami to the
Amazon - crossed Brazil and
reached Buenos Aires by the
Paraguay - Parana River. I
would have liked to cross the
Andes by train - but the passes
were still snow bound. Any
way flying over them and seeing
Aconcagua in the sunlight I
was a sight to remember -
