Office of the President

Miss Gabriela Mistral
Spruce Street
Roslyn Harbor, Long Island,
New York

Dear Miss Mistral:

We were delighted to learn from Mrs. Dana that you were feeling well enough to plan to come to Oxford for our commencement weekend and to receive the honorary degree of Doctor of Letters at the convocation at 10:30 a.m. on May 30, 1955.

The easiest way to reach Oxford from New York is on the New York Central train which leaves in the late afternoon and arrives the next morning in Middletown, Ohio, which is twenty miles from here. We will be happy to meet you and whoever is coming with you. Unless we hear to the contrary we will have a double guest room ready for you on Sunday morning with the expectation that you will be here until Monday afternoon.

We will have your academic costume in readiness and will hope to receive from you as soon as possible a glossy print to use in advance publicity.

We are particularly pleased that you can come since thirty-two members of our student body and faculty will be visiting Chile as members of our Latin American Travel Seminar in July.

Please thank Mrs. Dana for her helpfulness in our long-distance conversation. I hope that it may be possible for her to come with you at the end of this month.

Sincerely yours,

Herrick B. Young
President
