Dear Friend:

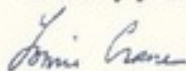

I am taking the liberty of sending you a sample copy of IBERICA, in hopes it may be of interest to you.

IBERICA is devoted exclusively to Spanish affairs and culture. It features uncensored news reports from reliable sources within Spain, and articles by internationally known authorities. IBERICA's prime objective is to provide dispassionate information about a subject which has been too long obscured and confused by the factors of emotionalism, political prejudice and censorship.

And in addition to matters of topical interest, IBERICA endeavors to convey to its readers some of the more permanent aspects of Spain and her great cultural tradition which, though temporarily stifled, will flourish again some day.

The accompanying leaflet contains expressions of the opinions of some of IBERICA's distinguished subscribers. Will you accept the evidence of their testimony, and join them as subscribers?

Sincerely yours,

Louise Crane
Publisher of IBERICA

P.S. IBERICA is published on the fifteenth of every month, in Spanish and English editions. Subscription rate: \$3.00 a year.
