Dear Miss Mistral:

Thank you very much for your good letter of December fifth bringing to my attention the sculpture "Ternura" by Marina Nunez del Prado. I am, of course, familiar with Miss Nunez del Prado's work and have always admired it.

All acquisitions, including the acceptance of donations, by the Museum of Modern Art are entirely under the jurisdiction of the Committee on the Museum's Collections, and offers of donations are brought to them by Mr. Alfred Barr, Director of the Museum's Collections. I am taking the liberty of sending the photographs of Miss Nunez del Prado's sculpture to Mr. Barr for presentation to the Committee.

Sincerely,

Nelson A. Rockefeller
