THE MUSEUM COLLECTIONS

January 29, 1954

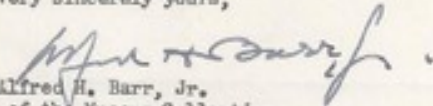

Dear Miss Mistral:

Mr. Nelson Rockefeller has forwarded to me your letter to him of December 5 together with a copy of his reply of January 11 and photographs of the sculpture Ternura by the Bolivian sculptress, Marina Nuñez del Prado, which you have so generously offered to present to our Museum.

We are quite familiar with the work of Miss del Prado and I shall be happy to consult with the chairman of our Committee on the Museum Collections as to whether we should bring the sculpture before our Committee. I shall write you shortly.

Meanwhile, let me thank you again on behalf of our Trustees for your generous thought.

Very sincerely yours,

Alfred H. Barr, Jr.
Director of the Museum Collections
