Dear Miss Mistral,

The officers of the Congress of American Women take great pleasure in inviting you to a small reception at the home of Mrs. Eunice Hill, 122 East 65th Street, Thursday night, May 16 at 8:30 p.m.

As you know, we are the American affiliate of the Women's International Democratic Federation which was organized in Paris last November. America was represented then by twelve women, several of whom will be present next Thursday night.

We feel that we are working towards the same goals as the Sub-Commission on the Status of Women and that we will gain much from an informal discussion.

Cordially yours,

Gene Weltfish
