Dear Most Esteemed friend,

I wish to say that I was mighty glad to have a grand opportunity on December 26, 1954 to see and talk to you personally. On that fortunate day, my twelve years of dream to see you personally was fulfilled. For this I am very very grateful to you for your kindness to me.

It is quite rare to meet a serene and wise soul like your esteemed self. we do need great souls like you to uplift humanity from earthly existence to the enlightened and blissful world of Intellect and Spirit. I sincerely wish and pray that you live long for the inspiration of many.

Many of my American friends in N.York and Washington would like to have the opportunity to see you. I do hope that I see you again when I come back to N. York city from Florida.

I treasure your friendship. It is my prayer that may we grow in friendship ever and ever. I wish you most joyful new year. I regret I can not write in Spanish,
