Señorita Gabriela Mistral,
770 Park Avenue,
New York City,

Dear Madam,

I have received your letter dated the 30 th.
of April and thank you very much for it.

I got in touch with Miss B. Clever as you kindly
had advised me to do and we talked about my problem.-

As to my signature I can assure you that I had
signed my letter by hand, unfortunately I used violet ink
in my fountain- pen which has caused a wrong impression.-

Enclosed, dear Madam, I send an Application for
Immigration to Chile with all particulars about me as well
my sisters family whom I wish to join.-

My sister is my only relative alive that is left,
and we are very much devoted to each other. You will under-
stand that I wish to be reunited with her after 7 years
of separation, I do not easily make friends and will be
terribly lonely when my only best friend, who is shortly
leaving for the U.S.A., is gone.-

My sister, Mrs. M. Frankenberg, has tried of
course at her end to obtain a Visa for me, yet she did
not succeed.-

I once more appeal to your heart, dear Madam,
in order that you may grant me a Visa to enter your
country.- My relatives are willing and able to support me,
since they have settled down there quite comfortably.-

Dear Madam, all my hope rests with you and I
should try to find means to express my deepest grati-
tude should you decide favourably upon my case, I can
give you excellent references as to my conduct from over
here and am awaiting your kind reply.-

I remain, dear Madam,

Yours faithfully,

Paula Herman
