

Florence 12 - 5 - 46

Dear Miss Mistral,

through Engineer Canepa, who is a good friend of mine, I was able to get some of your poems. I translated them and had them published on "Rassegna", of which I send you a copy. I should have liked so much to make your personal acquaintance when you were in Italy. I hoped you would come to Florence.

Speaking - better than writing - I would have expressed you all my profound admiration for you, for your works - and for your country. I know Chile only through the descriptions of Mr. Canepa, and a beautiful photograph album he once showed me: but it is enough to make me love it and fondly wish
