Dear Sir,

When I rang up the Chilean Embassy to-day in order to get
 some information on behalf of Gabriela Mistral who has been
 awarded the Nobel Prize, a lady gave me the name of Madame
 Subercaseaux (?), telling me to apply there. I am afraid that
 I did not catch the name correctly and no address was given me.

Therefore I am sending the enclosed letter to you hoping that
 you will be good enough to forward it to its destination. I
 have left it open for you to read so that you may be informed
 as to what it is about.

With best thanks,

Yours faithfully,

(Ms) Adele Schreiber
