26th February, 1946.

Dear Senorita Mistral,

Mr. Zimmern, Director of the Latin American Division of the B.B.C., telephoned this afternoon to see if you would be willing to undertake one more engagement before you leave. He would very much like you to be present at a broadcast for schools in Spanish. Apparently Great Britain is far ahead of any other country in its broadcasts for schools, and it has been asked to prepare programmes in Spanish for use in Latin American countries. They would very much appreciate it if you could spare a short time on Wednesday March 6th, provided you do not leave by plane that day, to hear a short broadcast, and they would very much value any opinion and advice that you might give them at the conclusion of the broadcast. We should be very glad if you would consider this, and if M^{rs}. de la Mourthe could let us know your decision tomorrow, Wednesday morning.

We are writing also to confirm that you will be going down to Elstree to give a broadcast on the Latin American Service on Tuesday 5th March at 5 p.m. We shall, of course, arrange for you to be taken down by car.

I sent M^{rs}. de la Mourthe particulars of your Oxford arrangements, but we shall let you have this in the form of a programme before you leave on Friday.

Mr. Metford tells me that you would very much like to see 'Henry V' and 'Caesar and Cleopatra'. I suggest

Senorita Gabriela Mistral,
Claridges Hotel,
Brook Street, W.1.
