Utrecht, the 16th of November '45.

Dear Miss Gabriels (Mistress).

Go. night it was in the newspapers here, that
the Nobel-prize for literature was awarded to you.
I congratulate you with all my heart in the name of the Dutch women-
and men-teachers.
We are very anxious to cultivate your acquaintance and learn more
about your literary work.
We should like to receive particularities about it, especially
about "Treasure of Mistress", so that we shall be able to introduce
you to the Dutch people.

On the name of the Dutch teachers,

Win. Renders,
