Dear Madame Mistral,

May I identify myself  
by saying that for a number of years I have  
represented the work of, among others, W.  
Somerset Maugham, André Maurois and Jules  
Romains.

I have two or three suggestions for articles  
for American magazines that I think might  
interest you. Could you spare me a few  
minutes for a talk?

I shall hope to hear from you.

Sincerely yours,

Jacques Chambrun

Mme. Gabriella Mistral
