My dear Senorita Mistral:

I feel very badly to pursue you about The Woman's Press, knowing of the many demands that are made upon your time.

I quite understand your inability to write an article, but it would be very helpful if you could send us some sort of brief statement to use in the January issue of The Woman's Press, which is to be planned particularly in connection with the two-million-dollar fund for overseas YWCA work. A word of approbation from you will mean a great deal to all of us.

If you can send this to me not later than the middle of November, I shall be most appreciative.

Sincerely yours,

Elizabeth G. Bradley
