Dear Miss Mistral:

It was very nice of you to oblige me with your ballot, and I am particularly grateful for the number of South Americans you voted upon. I found the voting extremely helpful.

I communicated with Mr. Watkins of Ann Watkins, Inc., and he tells me that no authorized translation of your poetry is at present available, but that in two months or so to get in touch with him once more, when progress may have been made. At that time, I shall write you again in the hope that you can personally select what you desire to represent you in the book, which is now nearing completion.

With kindest thanks for your cooperation,

Sincerely yours,

Miss Gabriela Mistral
