Señorita Gabriele Mistral,  
Consul of Chili,  
PETROPOLIS (Brazilia).

Dear Miss Mistral,

In the Newspaper for the book-trade (Nieuwsblad voor de boekhandel) I read about your works and I regret that I have never get acquainted with your books, but reading about them I become particularly interested in your books.

As far as I know your books have not yet been translated in Holland. Should the copyrights be free for Holland, I should be pleased to publish the Dutch translations in our country.

When reading the criticism about your works in the Swedish newspapers I am sure no doubt but your books will meet a ready market in Holland and will be read with great interest.

Obviously a great humanity appears from your books and I as a publisher am uncommonly interested in such cultural publications.

I hope that we shall come to a co-operation and are looking forward to your esteemed reply.

Yours very truly  
UITGEVERIJ LAURENS E. FRANKENA
