Gentlemen:

With reference to my letter of April 14th regarding your edition of Gabriela Mistral's poems we should like to advise you as follows:

1. The original copyright in all the material used is in the name of Doris Dana and this should be listed clearly on the title page or reverse of the title page of your edition.
2. The contracts sent you will have to be corrected throughout to indicate that the rights granted to you are restricted to Belgium only. If the contracts sent you on April 14th have not as yet been returned to us, please make those corrections and initial them each time in the margin of the contracts.

We should look forward to hearing from you,

sincerely yours,
