Re: Heidelberg

Dear Doris,

Heidelberg need additional photos of Gaby's since in their series they use eight pages of illustrations of which only one page is a reproduction of handwritten manuscript and seven pages show the author and her activities.

Beside the portrait we sent over we can send Heidelberg a picture of Gaby and the children which was reproduced in Life Espanol. Will you be able to supply a minimum of five additional photographs?

Jeanne Gould tells that all the negatives are with you, so perhaps you can have prints made and send them on directly to Heidelberg Ltd., Grote Markt, 1, Hasselt, Belgium. Wherever credit lines are necessary give them on the back of the photographs. We will negotiate the fees involved with Heidelberg; write me if any of the prints sent by you involve anything special.

Best,

Karin Schroeder
