Re: Gabriela Mistral
 Spanish-language edition

Dear Doris,

I am sending you a letter just received from Aguilar, for your information.

I think those people sound serious enough for me to continue the preliminary negotiations; I would also like to let them know about this girl in Washington who has done all this work on Dona Gabriela's stuff.

It may be well to add to any contract which we may make that the final selection of material must be submitted to and cleared with the author. Please return the letter with any comments you may have.

As ever,

Joan
