Dear Doris:

Re: Gabriela Mistral's Poesias Completas -- Aguilar

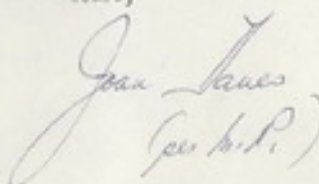

Are you answering Aguilar's letter of March 7, copy of which was sent to me? On the same date, I had a letter directly from the publishers. I mentioned this to you over the phone some time ago but I am quoting now again the pertinent paragraphs:

"We agree in principle to your proposal that Miss Bates shall be charged of the preparation of our edition, provided that, as it is quite natural, the proprietors agree also to it. Therefore, we shall answer you concerning the letter to be exhibited by Dr. Bates to the University authorities as soon as we receive an answer to the letter we are writing to Miss Doris Dana, whose copy please find herewith.

"We are also in a doubt: it seems there is an inedited work whose publication is being prepared by a commission of Chilean writers. As our edition is one of Poesias Completas, we shall have to include it. However, Dr. Bates has not sent to us this original, nor any reference about it. Would you be so kind as to tell us to whom must we ask for it when the moment arrives to prepare our edition?"

I am not equipped to answer either points raised in Aguilar's letter and hope that you can send them the desired information, copy to us, please.

Yours,

Joan Daves
