Dear Doris:

We have received a statement from Aguilar of which we are enclosing photostats. The amount of money received was \$1057.50 and we are enclosing our check for this, minus our commission.

I must confess I do not quite understand the royalty statement Aguilar is sending. It seems to me that they should pay royalties for 4142 copies, whereas their letter dated June 10th indicates that the payment made covers 3000 copies only.

Will you look over the photostats sent you and let me know how you interpret them? Please don't delay on this since I am postponing acknowledgment of the money received until I hear from you.

Yours,

*Joan*
