Re: POESIAS COMPLETAS by Gabriela Mistral

Dear Doris,

You will remember the letter which I dictated while you were in the office. Here is the pertinent paragraph from Aguilar's answer:

"Concerning the inclusion of new material in our edition, as we are going to start the typesetting immediately and await only to receive the material above mentioned, we should prefer to include in our second edition in preparation these twenty new poems only, which we should publish as a separate chapter added to our volume. And, when preparing our third edition, we should include then the remaining poems which make the two new volumes."

I guess we asked for it by offering them twenty new poems despite the fact that you would prefer not to have them publish now.

Now, I suppose, we will have to follow through: are you set up to supply the manuscript of the addition poems from Athens?

Love,

Joan
