

April 24, 1964

Dear Miss Bates,

Thank you for your letter of April 17 with all the information.

I have just had a letter from Aguilar from which I quote:

"In a recent correspondence Miss Bates announces her sending of an introduction to the new edition. From your letter of November 1, 1963, we understood that this introduction should be the one written by Dr. de Caceres. Would you be so kind as to clear up this point?"

I believe that there will be but one introduction, the one written by Dr. de Caceres, but I am a little confused myself and would be grateful for confirmation.

Yours,

Joan Daves/ra
