

## RECORD

April 15, 1964

Gentlemen:

Regarding Gabriela Mistral's DISCO: only now have I had a chance to discuss with Miss Dana the conditions of your interesting letter of January 8, and I shall write you separately regarding the new contract for POESIAS COMPLETAS.)

We are pleased with your ideas regarding the proposed publication and distribution of some of Mistral's poems as read by her and recorded by the Library of Congress, although it came to us at a time when we were about to commit ourselves to someone else for just this very same project. However, in view of your connection with the poetry of Gabriela Mistral, and in view of your very good distribution facilities, we would prefer coming to an arrangement with you. The suggested royalty of 10% based on the list price of the record is acceptable, but we would have to clarify this arrangement in view of the fact that your records would presumably be distributed in various areas of the Spanish speaking world and would therefore be sold at different list prices.

Will you be good enough and let me know in which areas you have arrangements for distribution of your records? Unless you have special reasons to object, I should like to except from your territory Colombia. It is there with Emisora RJOX that we have had negotiations for a record such as you propose, and since we have gone quite far in committing ourselves to them, I should at least like to temper their disappointment by letting them retain the distribution in their own country.

I shall look forward to hearing from you.

Yours,

Joan Daves/ra
