Dear Doris:

Here is one pending small permission item which I should like to clear up soon. Please specify the origin of the three poems listed and, at the same time, let me have the copyright dates which the publishers should be asked to use.

The fee I would specify for the use of the poems would be \$25 per poem; let me know whether any of these is especially long which may call for a higher fee.

When you answer, do please return both copies of the permission forms.

Yours,

Joan Daves:ash
