Dear Dora -

Before leaving the Press
last week I wrote John
Brain a long memo about
the Benton's reception and
argued strongly in favor of
it. He was swamped with
work after his vacation; but
he seemed in favor of the
idea. I didn't call him.
Doubtless because I didn't
have any definite news for
him. After a certain point,
there was a limit to what I
could do because I was so
close to leaving; but I'm
optimistic.

Best Dishes -
