Dear Miss Dana:

Enclosed please find the photographs you made available to us for use in promoting Selected Poems of Gabriela Mistral. I understand from Margot Schutt that you had asked to have any negatives that we had had made. We would prefer to keep these for the time being, in case we need to make additional prints for publicity purposes, etc. as we near the publication date.

Thank you again for letting us use the photos. They have certainly added a very personal touch to the promotion I think.

Yours sincerely,
